PET OWNER'S PLEDGE

As a VRTUCAR member, I understand and agree that:

1. Transporting a pet in a VRTUCAR is a privilege. I can be fined or lose my membership if I do not honour VRTUCAR's pet pledge.
2. Some VRTUCAR members are allergic to pets. It is my responsibility, if I transport a pet, to ensure that the pet does not inconvenience others, cause distress, or affect the ability of VRTUCAR to share its vehicles.
3. I must transport my pet each time, in a clean manner, using a pet carrier (mandatory for cats) and/or a clean sheet (for dogs).
4. Stains and damage to VRTUCAR upholstery and interior must be prevented at all times. If, despite my best efforts, my pet leaves hair, dirt, debris, stains, smudges or smells, I agree to fully clean it up. At my own expense, I will take the car to a car wash, where the interior will be thoroughly vacuumed, and shampooed if necessary, to remove every trace of my pet.
5. I will report to VRTUCAR any damage caused by my pet, and my efforts to remedy it. I will be responsible for the full cost of repairing any such damage.
